RCM has been renting band instruments to local school musicians since 1995. We carry quality brand name instruments including Violin, Viola, Cello, Alto Saxophone, Tenor Saxophone, Flute, Clarinet, Trumpet, Trombone, French Horn and Bell Kit. We have several price points ranging from New to Like New to Budget. All of our previously rented instruments are inspected, adjusted and cleaned each summer to insure they are in excellent playing condition. We also sell all the books and accessories required by our local school music programs. We try to stay in close contact with music supervisors & instructors in your district to make sure we carry what they want their students to have. We've been doing this for awhile, so we know the drill! We're here to help your families, and keep it honest and affordable too!

Why is Soli Music Depot different from the rest? We are a music instrument, supply/rental and repair shop owned and operated by working music educators and performers in schools and universities right here in Orange County! We know what your student needs and we are an organization that gives back in many ways directly to your child. Contact us today and see why "It Only Sounds Good When It's Soli!"
